

# LABELS

to Organize Your Campaign's Documentation

C-SMART generates an ID number for every transaction you enter. You must write this transaction ID number on any documentation related to the transaction.

Use the attached labels by writing down these transaction IDs and affixing each label to the corresponding documentation. If you require more labels, you may print more using Avery Template 5167.

If you have any questions, contact Candidate Services at (212) 409-1800 or [CSUmail@nyccfb.info](mailto:CSUmail@nyccfb.info).
