

Bronx Borough President

Mark Escoffery-Bey (I, WV)

My name is Mark Escoffery-Bey. I am running for the office of The Bronx Borough President. There is a YOKE that continually sits on our borough part is self-inflicted. Education and Economic Development is not happening fast enough for us. Dynastic Entitlement locks in favored politicians, despite their poor performance, and you and me out. Ballot Bumping deprives us of good leadership. I'm running to reform the way in which politics has been manipulated for the benefit of a few connected politicians that put the party hierarchy first and you last. We cannot continue down this road of self-destructive politics. These self-destructive policies which hold us down, back and produces corrupted officials is bad for our survival. My name is Mark Escoffery-Bey and I need your help and your votes. I am not part of the political machinery which does not serve our community. I pledge the wisdom and courage of my mind, the strength and vigor of my body in the service of my fellow citizen; to stand up for justice, brotherhood and peace, work diligently and creatively, think generously and honestly to advance the welfare of the people of the Bronx. I trust in God, I love The Bronx and respect its laws. I will work hard and strive for all to get ahead, we all may not get ahead, but we must all have an opportunity to do so. I will always do my best. Let's create a future for ourselves, our families our community and the Bronx. Together lets usher in an era of service and abundance. I am a fighter that is powerful, inspiring and unstoppable who will relentlessly fight for the people of The Bronx. Thank you for your time and please let me hear from you. My name is Mark Escoffery-Bey. God Bless you
