

Manhattan Borough President

Julie Menin (D)

Hi, I'm Julie Menin — Democrat for Manhattan Borough President. Hola, soy Julie Menin estoy corriendo como Democrata para Presidenta del condado de Manhattan. One reason leaders like Nydia Velazquez, Deborah Glick and Adriano Espaillat are supporting my campaign — because I've been a problem solver who takes on tough fights. Chairing my local community board, I helped lead the fight for the 9-11 health bill, and pushed back against the insurance companies and bureaucrats that stood in the way of lower Manhattan's recovery. I was a watchdog on the Lower Manhattan Development Corporation board, exposing waste and winning a \$200 million victory for consumers against Con Ed. I'll use my community board experience to reform land use in Manhattan, with an innovative plan for more affordable housing, more classroom seats and more open green spaces.
